Enjoy Free Family Fun at the Clarington Winter WonderLearn Festival

January 27, 2025—Clarington Library, Museums & Archives (CLMA) is excited to announce the return of its popular award-winning festival, Winter WonderLearn. Now in its twenty-second consecutive year, the event will be held on the Family Day holiday Monday, February 17, 2025, from 10am to 2pm at CLMA's Courtice Library.

The festival encourages families to get active and enjoy time together while learning something new, exploring the local organizations that call Clarington and the Durham Region home. Reptilia Whitby will be hosting interactive shows and meet & greets with their special guests throughout the day. The Municipality of Clarington will be offering a range of programming at the Courtice Community Complex throughout the day, including a free swim from 11am to 1pm and outdoor skating from 11am to 5pm, weather permitting.

Winter WonderLearn is a wonderful opportunity for families to spend the holiday together and learn more about the local organizations and groups that make Clarington such a vibrant community," says Monika Machacek, Chief Executive Officer of Clarington Library, Museums, & Archives. "Reptilia Whitby has been an amazing partner with CLMA's Community Pass program, allowing customers to borrow family admission passes to local attractions. We're thrilled they're joining this year."

The Winter WonderLearn Festival is being held on Monday, February 17, 2025 from 10am to 2pm at the Courtice Library located inside the Courtice Community Complex, 2950 Courtice Rd. More information and a list of participating organizations can be found on CLMA's website at cplma.ca/wwl.
